TWO MAKE AND TAKE SESSIONS-
NEVER DONE BEFORE IN CANADA

Double Brush

Capes

Hands on, all materials will be supplied at your table.

IMPORTANT!

To make the capes we will be using rubbing alcohol and sharpie markers. This is something to consider if you are sensitive to smells. It is stinky, but fun!

Fizzle Bubble Pop & Wow!

Simple Science Experiments for Young Children

Does the thought of doing "science" bring up intimidating images of Bunsen burners, chemical equations and half dissected frogs? Often our experience has led us to think that science is hard, difficult and complicated. This workshop will reassure you that you do not need a degree in biology or chemistry to have an engaging science program in your classroom!

Brand New Workshop, Never Been Done Before!

10 Little Hot Dogs Fryin in the *WHAT?*

Finger plays, rhymes and chants for transition time, circle time or any time!

She learned from the best and will now share with you! Join Lisa as she teaches you some classic fingerplays that have withstood the test of time and some that are destined to become future favorites. Sure to be a crowd pleaser, this is Lisa's newest addition to her workshop topic line up. Leave your inhibitions at home and come ready to sing, play, clap and shout along!
