1. Self-disclosure questionnaire for child abuse registry and criminal record is completed during application process.
2. Continuing Care – In most rural community placements students are required to drive themselves. Please check at your local campus.
3. Funeral and Allied Health Services – Funeral Services require a valid driver's licence and volunteer work experience prior to admission.
4. Law and Security and Correctional Services require a medical to be completed by your physician.
5. Any placement with a district health authority will require immunization for Hepatitis B.
