## About the Mi'kmaq Honour Song

The *Mi'kmaq Honour Song* is a powerful, unifying symbol of the resilience and enduring spirit of the Mi'kmaq people. Composed by Elder George Paul of Metepenagiag, the *Mi'kmaq Honour Song* calls on L'nu people to honour who they are.

Performed through song, chanting and hand drumming during ceremonies and gatherings, it calls on ancestors for spiritual guidance and holds a strong message to help and respect one another. It encourages pride in Mi'kmaq culture and traditions - so they are preserved, shared and celebrated for generations to come.

The *Mi'kmaq Honour Song* is performed during NSCC Convocation ceremonies as an important part of the College's commitment to reconciliation, community, cultural awareness and inclusivity.

## About Lift Every Voice and Sing

Often referred to as the Black National Anthem, *Lift Every Voice and Sing* is a powerful hymn of hope, resilience, and liberation. Originally written as a poem by James Weldon Johnson in 1900 and later set to music by his brother John Rosamond Johnson, the anthem has become a cornerstone of Black cultural identity and collective memory across North America.

At NSCC, including *Lift Every Voice and Sing* during Convocation holds deep cultural and historical significance. It reflects our presence on Mi'kma'ki, the ancestral and unceded territory of the Mi'kmaq people. It honours the legacy of the 52 historic African Nova Scotian communities whose contributions continue to shape the fabric of this province.

Sung across generations, the anthem speaks to the enduring strength, dignity, and perseverance of African descendants in the face of enslavement, racism, and systemic injustice. By incorporating *Lift Every Voice and Sing* into our ceremony, NSCC affirms its commitment to the Scarborough Charter's guiding principle of Black Flourishing and the Black Community Council's (BCC) mandate of ensuring an inclusive, anti-racist, and equitable learning environment - acknowledging the past and the harms done to African Nova Scotians are honoured and never forgotten.

### Message from the NSCC President

Graduates,

Today, we recognize and celebrate your perseverance, your dedication to your studies, the commitments you've maintained, the challenges you've overcome, the connections you've made - and so much more.

Your journey as an NSCC student began the moment you chose to make a change in your life: to learn more, to grow, and to pursue something new. That powerful decision led you here - to become a student who worked hard, stayed focused and kept showing up. It wasn't always easy, but you've proven that you can do it.

While today marks the culmination of your efforts and achievements, it also marks the beginning of a new and exciting chapter - as NSCC graduates. I encourage you to trust the same determination that carried you through your studies, and to take your new skills, knowledge, and experiences forward with confidence. Whatever positive steps you take next, know that we are so proud of you.

On behalf of all of us at NSCC, **congratulations class of 2025!**

A handwritten signature in black ink, appearing to read 'Don Bureaux'. The signature is fluid and cursive, with a long horizontal line extending from the end.

# Convocation 2025

## Honorary Diplomas

NSCC is pleased to award Honorary Diplomas to these outstanding individuals who demonstrate true leadership in their field and community.

## **James Kehoe**

### **School of Trades and Transportation**

#### **Sydney Waterfront Campus**

James Kehoe's dedication to building strong communities extends far beyond his successful career in the construction industry.

Jim began his career as a carpenter before founding Joneljim Concrete Construction in 1970. Under his leadership, Joneljim has grown into one of Cape Breton's largest contractors, providing general contracting, project and construction management, and heavy civil contracting. The Joneljim Group of Companies also includes building supply operations, a millwork business and residential and commercial rental properties.

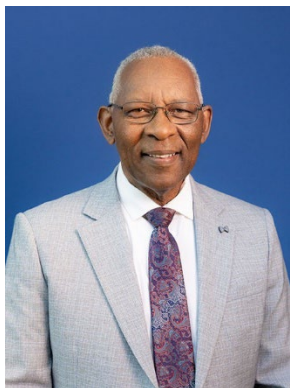

Jim is a founding member of New Dawn Enterprises and the not-for-profit, BCA Investment Cooperative. He has served on the Board of the IWK Children's Hospital, Cape Breton University's Board of Governors, Nova Scotia Business Inc., Talbot House, and the Financial Board for the Diocese of Antigonish.

Jim's contributions have been recognized through one of the Province's highest honours. In 2002, he was awarded the Order of Nova Scotia for his outstanding contributions to the province's economic well-being. In 2023, Jim was inducted into the Cape Breton Business and Philanthropy Hall of Fame, further celebrating his dedication to the region. In 2018 he received an Honorary Doctorate from Cape Breton University.

Over the years, Jim and his late wife Roma were involved in many philanthropic efforts here in Cape Breton and across Nova Scotia. A

proud father to two daughters, Claudette Porter and Paulette Kraitzek, and grandfather to four, Jim cherishes time spent with his family.

Through his leadership and commitment to his community, Jim's dedication to empowering others and fostering growth continues to inspire positive change across Nova Scotia.

## Joel Marsman

### School of Trades and Transportation

#### Akerley Campus

Joel Marsman's dedication to occupational health and safety, mentorship and community empowerment has left a lasting impact on Nova Scotia. His achievements, including becoming the first Black person in Canada to earn the Canadian Registered Safety Professional (CRSP) designation, have paved the way for others.

He has served as coordinator for the Black Business Initiative's Constructing the Future program, an initiative aimed at helping African Nova Scotians enter the construction trade. As Program Coordinator for the Africadian Empowerment Academy's Trades Program, he helped Black tradespeople obtain Red Seal certification and supports like training and test preparation to foster their success. He was also involved with the Pathways to Shipbuilding program, where he was part of a working group that created a dedicated training and employment pipeline for Black welders.

Joel was the Manager of Occupational Health and Safety at the Nova Scotia Department of Transportation before founding Marsman Safety Services, where he provides program development and occupational health and safety training for industry organizations and government agencies.

His contributions extend to serving on boards for various organizations including the Nova Scotia Construction Safety Association, the Nova Scotia Apprenticeship Board, the Nova Scotia Labour Department Board and the Canadian Society of Safety Engineering.

In 2012, Joel was honoured by the African Heritage Month Information Network and the Province of Nova Scotia as an "Unsung Hero: Men Who Make a Difference."

Joel's unwavering commitment to the success of others exemplifies NSCC's vision: Transforming Nova Scotia one learner at a time.

# Convocation 2025

## Valedictorian

NSCC is proud to introduce the outstanding student(s), chosen by their campuses to represent the achievements and experiences of the Class of 2025.

## Geoff Miller

### School of Trades and Transportation

#### Metal Fabrication

Originally from Ottawa, Ontario, Geoff came to NSCC after working with Canadian Aerospace Engineering (CAE) as an evaluation pilot. With his heart in Nova Scotia and eager to pursue a long-time passion, he enrolled in the Metal Fabrication program to gain the hands-on skills he had always wanted to learn. The program at Akerley Campus was the perfect fit for the next step in his journey.

Throughout his time at NSCC, Geoff was motivated by his own drive to master metal fabrication and by the encouragement and support of his instructors and fellow classmates. What Geoff appreciated most about the program was the real-world, practical experience it offered, as well as the first-hand industry knowledge shared by his instructors. He found the Akerley community friendly and welcoming, which contributed to a positive and encouraging learning atmosphere.

One of the most valuable lessons Geoff learned at NSCC was patience, both in and out of the workshop. After graduation, he plans to open his own metal fabrication shop in the Dartmouth area and continue building on the foundation he's built as an NSCC student.

To the Class of 2025, Geoff shares this advice: "It's a bad day when you don't learn something new. Learning is a lifelong experience."
