

Truro Campus Convocation

June 2nd, 2025

Land Acknowledgement

NSCC is located in Mi'kma'ki, the unceded territory and traditional homeland of the Mi'kmaq Nation. Our relationship is based on a series of peace and friendship treaties between the Mi'kmaq Nation and the Crown, dating back to 1725.

As Treaty beneficiaries, we recognize that we are all Treaty People.

Recessional

Please rise as you are able when the academic procession enters and remain standing until the conclusion of *O Canada*.

Please remain at your seats until the platform party and graduates have exited.

Drumming during the processional is performed by Sunshine Scouts.

The Mi'kmaq Honour Song is performed by Joseph Sylliboy.

Music during the presentation of credentials is arranged and produced by NSCC Music Arts faculty Tom Easley and Bill Stevenson.

Please join us after the ceremony for a reception in honour of our graduates, presented by NSCC Alumni Relations.

About the Mi'kmaq Honour Song

The *Mi'kmaq Honour Song* is a powerful, unifying symbol of the resilience and enduring spirit of the Mi'kmaq people. Composed by Elder George Paul of Metepenagiag, the *Mi'kmaq Honour Song* calls on L'nu people to honour who they are.

Performed through song, chanting and hand drumming during ceremonies and gatherings, it calls on ancestors for spiritual guidance and holds a strong message to help and respect one another. It encourages pride in Mi'kmaq culture and traditions - so they are preserved, shared and celebrated for generations to come.

The *Mi'kmaq Honour Song* is performed during NSCC Convocation ceremonies as an important part of the College's commitment to reconciliation, community, cultural awareness and inclusivity.

Don Bureaux

Message from the NSCC President

Graduates,

Today, we recognize and celebrate your perseverance, your dedication to your studies, the commitments you've maintained, the challenges you've overcome, the connections you've made - and so much more.

Your journey as an NSCC student began the moment you chose to make a change in your life: to learn more, to grow, and to pursue something new. That powerful decision led you here - to become a student who worked hard, stayed focused and kept showing up. It wasn't always easy, but you've proven that you can do it.

While today marks the culmination of your efforts and achievements, it also marks the beginning of a new and exciting chapter - as NSCC graduates. I encourage you to trust the same determination that carried you through your studies, and to take your new skills, knowledge, and experiences forward with confidence. Whatever positive steps you take next, know that we are so proud of you.

On behalf of all of us at NSCC, **congratulations class of 2025!**

A handwritten signature in black ink, appearing to read 'Don Bureaux'. The signature is fluid and stylized, with a long horizontal line extending from the bottom of the 'u'.

Convocation 2025 Honorary Diplomas

NSCC is pleased to award Honorary Diplomas to these outstanding individuals who demonstrate true leadership in their field and community.

James Kehoe

School of Trades and Transportation

Sydney Waterfront Campus

James Kehoe's dedication to building strong communities extends far beyond his successful career in the construction industry.

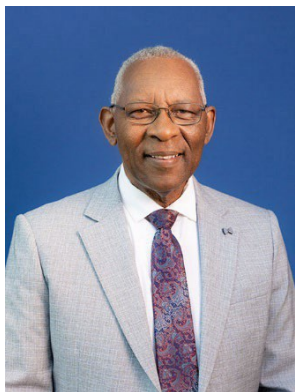

Jim's began his career as a carpenter before founding Joneljim Concrete Construction in 1970. Under his leadership, Joneljim has grown into one of Cape Breton's largest contractors, providing general contracting, project and construction management, and heavy civil contracting. The Joneljim Group of Companies also includes building supply operations, a millwork business and residential and commercial rental properties.

Jim is a founding member of New Dawn Enterprises and the not-for-profit, BCA Investment Cooperative. He has served on the Board of the IWK Children's Hospital, Cape Breton University's Board of Governors, Nova Scotia Business Inc., Talbot House, and the Financial Board for the Diocese of Antigonish.

Jim's contributions have been recognized through one of the Province's highest honours. In 2002, he was awarded the Order of Nova Scotia for his outstanding contributions to the province's economic well-being. In 2023, Jim was inducted into the Cape Breton Business and Philanthropy Hall of Fame, further celebrating his dedication to the region. In 2018 he received an Honourary Doctorate from Cape Breton University.

Over the years, Jim and his late wife Roma were involved in many philanthropic efforts here in Cape Breton and across Nova Scotia. A proud father to two daughters, Claudette Porter and Paulette Kraitzek, and grandfather to four, Jim cherishes time spent with his family.

Through his leadership and commitment to his community, Jim's dedication to empowering others and fostering growth continues to inspire positive change across Nova Scotia.

Joel Marsman

School of Trades and Transportation

Akerley Campus

Joel Marsman's dedication to occupational health and safety, mentorship and community empowerment has left a lasting impact on Nova Scotia. His achievements, including becoming the first Black person in Canada to earn the Canadian Registered Safety Professional (CRSP) designation, have paved the way for others.

He has served as coordinator for the Black Business Initiative's Constructing the Future program, an initiative aimed at helping African Nova Scotians enter the construction trade. As Program Coordinator for the Africadian Empowerment Academy's Trades Program, he helped Black tradespeople obtain Red Seal certification and supports like training and test preparation to foster their success. He was also involved with the Pathways to Shipbuilding program, where he was part of a working group that created a dedicated training and employment pipeline for Black welders.

Joel was the Manager of Occupational Health and Safety at the Nova Scotia Department of Transportation before founding Marsman Safety Services, where he provides program development and occupational health and safety training for industry organizations and government agencies.

His contributions extend to serving on boards for various organizations including the Nova Scotia Construction Safety Association, the Nova Scotia Apprenticeship Board, the Nova Scotia Labour Department Board and the Canadian Society of Safety Engineering.

In 2012, Joel was honoured by the African Heritage Month Information Network and the Province of Nova Scotia as an "Unsung Hero: Men Who Make a Difference."

Joel's unwavering commitment to the success of others exemplifies NSCC's vision: Transforming Nova Scotia one learner at a time.

Convocation 2025

Valedictorian

NSCC is proud to introduce the outstanding student(s), chosen by their campuses to represent the achievements and experiences of the Class of 2025.

Adrian Dorey

School of Business and Creative Industries

Game Programming

Adrian is from Sipekne'katik First Nation and came to Truro Campus after working in the IT department for his community. Passionate about technology and driven by a desire to bring more Mi'kmaq culture into the digital space, he took a step into Game Programming to blend his love of coding with cultural storytelling.

Returning to NSCC – where he had previously studied – felt like the right move, knowing he'd be learning from industry professionals. Adrian quickly found his footing, saying that once he dove into the program, everything clicked. He embraced learning new technologies, creating games and forming meaningful connections with his classmates and instructors. The campus community stood out in particular. "There's no place like this," he says, describing a close-knit environment where support was always just a conversation away.

Adrian's journey was shaped by the encouragement of the Truro Campus staff and his faculty who helped him build confidence in himself and take on new challenges. One key lesson he's taking with him: stay open to new opportunities because you never know what could come next.

After graduation, Adrian plans to develop video games that reflect Mi'kmaq culture and language. He aims to inspire, educate and make a positive impact through his work.

To his fellow graduates, he offers these words: “Even during the hard times, don’t forget to enjoy the little things. Keep an open mind and try new things.”
