## June 3, 2025, 11:00 AM

### **Land Acknowledgement**

NSCC is located in Mi'kma'ki, the unceded territory and traditional homeland of the Mi'kmaq Nation. Our relationship is based on a series of peace and friendship treaties between the Mi'kmaq Nation and the Crown, dating back to 1725.

As Treaty beneficiaries, we recognize that we are all Treaty People.

## **Recessional**

Please rise as you are able when the academic procession enters and remain standing until the conclusion of *O Canada*.

Please remain at your seats until the platform party and graduates have exited.

Music during the presentation of credentials is arranged and produced by NSCC Music Arts faculty Tom Easley and Bill Stevenson.

Please join us after the ceremony for a reception in honour of our graduates, presented by NSCC Alumni Relations.

## About the Mi'kmaq Honour Song

The *Mi'kmaq Honour Song* is a powerful, unifying symbol of the resilience and enduring spirit of the Mi'kmaq people. Composed by Elder George Paul of Metepenagiag, the *Mi'kmaq Honour Song* calls on L'nu people to honour who they are.

Performed through song, chanting and hand drumming during ceremonies and gatherings, it calls on ancestors for spiritual guidance and holds a strong message to help and respect one another. It encourages pride in Mi'kmaq culture and traditions - so they are preserved, shared and celebrated for generations to come.

The *Mi'kmaq Honour Song* is performed during NSCC Convocation ceremonies as an important part of the College's commitment to reconciliation, community, cultural awareness and inclusivity.

### Message from the NSCC President

Graduates,

Today, we recognize and celebrate your perseverance, your dedication to your studies, the commitments you've maintained, the challenges you've overcome, the connections you've made - and so much more.

Your journey as an NSCC student began the moment you chose to make a change in your life: to learn more, to grow, and to pursue something new. That powerful decision led you here - to become a student who worked hard, stayed focused and kept showing up. It wasn't always easy, but you've proven that you can do it.

While today marks the culmination of your efforts and achievements, it also marks the beginning of a new and exciting chapter - as NSCC graduates. I encourage you to trust the same determination that carried you through your studies, and to take your new skills, knowledge, and experiences forward with confidence. Whatever positive steps you take next, know that we are so proud of you.

On behalf of all of us at NSCC, **congratulations class of 2025!**

A handwritten signature in black ink, appearing to read 'Don Bureaux', with a stylized flourish at the end.

**Don Bureaux**

## Honorary Diplomas

NSCC is pleased to award Honorary Diplomas to these outstanding individuals who demonstrate true leadership in their field and community.

## **James Kehoe**

### **School of Trades and Transportation**

#### **Sydney Waterfront Campus**

James Kehoe's dedication to building strong communities extends far beyond his successful career in the construction industry.

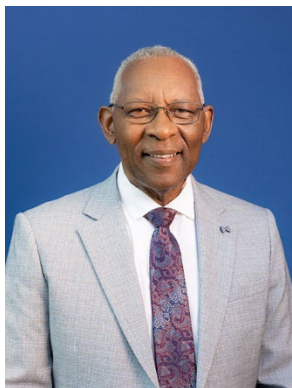

Jim's began his career as a carpenter before founding Joneljim Concrete Construction in 1970. Under his leadership, Joneljim has grown into one of Cape Breton's largest contractors, providing general contracting, project and construction management, and heavy civil contracting. The Joneljim Group of Companies also includes building supply operations, a millwork business and residential and commercial rental properties.

Jim is a founding member of New Dawn Enterprises and the not-for-profit, BCA Investment Cooperative. He has served on the Board of the IWK Children's Hospital, Cape Breton University's Board of Governors, Nova Scotia Business Inc., Talbot House, and the Financial Board for the Diocese of Antigonish.

Jim's contributions have been recognized through one of the Province's highest honours. In 2002, he was awarded the Order of Nova Scotia for his outstanding contributions to the province's economic well-being. In 2023, Jim was inducted into the Cape Breton Business and Philanthropy Hall of Fame, further celebrating his dedication to the region. In 2018 he received an Honourary Doctorate from Cape Breton University.

Over the years, Jim and his late wife Roma were involved in many philanthropic efforts here in Cape Breton and across Nova Scotia. A proud father to two daughters, Claudette Porter and Paulette Kraitzek, and grandfather to four, Jim cherishes time spent with his family.

Through his leadership and commitment to his community, Jim's dedication to empowering others and fostering growth continues to inspire positive change across Nova Scotia.

## Joel Marsman

### School of Trades and Transportation

#### Akerley Campus

Joel Marsman's dedication to occupational health and safety, mentorship and community empowerment has left a lasting impact on Nova Scotia. His achievements, including becoming the first Black person in Canada to earn the Canadian Registered Safety Professional (CRSP) designation, have paved the way for others.

He has served as coordinator for the Black Business Initiative's Constructing the Future program, an initiative aimed at helping African Nova Scotians enter the construction trade. As Program Coordinator for the Africadian Empowerment Academy's Trades Program, he helped Black tradespeople obtain Red Seal certification and supports like training and test preparation to foster their success. He was also involved with the Pathways to Shipbuilding program, where he was part of a working group that created a dedicated training and employment pipeline for Black welders.

Joel was the Manager of Occupational Health and Safety at the Nova Scotia Department of Transportation before founding Marsman Safety Services, where he provides program development and occupational health and safety training for industry organizations and government agencies.

His contributions extend to serving on boards for various organizations including the Nova Scotia Construction Safety Association, the Nova Scotia Apprenticeship Board, the Nova Scotia Labour Department Board and the Canadian Society of Safety Engineering.

In 2012, Joel was honoured by the African Heritage Month Information Network and the Province of Nova Scotia as an "Unsung Hero: Men Who Make a Difference."

Joel's unwavering commitment to the success of others exemplifies NSCC's vision: Transforming Nova Scotia one learner at a time.

# Convocation 2025

## Valedictorian

NSCC is proud to introduce the outstanding student(s), chosen by their campuses to represent the achievements and experiences of the Class of 2025.

## Carlyle Apps

### **School of Technology and Environment Geographic Information Systems – Cartography and Geovisualization**

Carlyle came to NSCC from Peterborough, Ontario. Before enrolling at Centre of Geographic Sciences (COGS), she completed a Bachelor of Science in Biology at Western University and a Master of Science in Sustainability Management at the University of Toronto. She worked full-time in management and communications, where she discovered a growing interest in graphic design and Geographic Information System (GIS) because of its creative and communicative aspects.

Carlyle enrolled in the GIS - Cartography and Geovisualization program because it blended technical mapping skills with artistic design. She chose COGS because of its reputation in geomatics education and the flexibility of online delivery, which allowed her to continue working while studying. Supportive faculty members and classmates helped her feel connected, even as she was learning online. In addition to learning a range of new skills and software in the program, Carlyle says one of the most valuable lessons she learned was the realization that even the most daunting projects can be tackled one step at a time.

Following graduation, Carlyle plans to keep building her career in cartography and GIS. While she's open to further study, her immediate goal is to apply what she's learned, in industry, while continuing to grow professionally.

Carlyle leaves this message for the class of 2025: "Don't be afraid to start. You don't need to have every skill figured out from the beginning. You'll learn as you go, but you have to start to move forward."

## **Cameron Robichaud**

### **School of Health and Human Services**

#### **Practical Nursing**

Cameron grew up in Dalhousie, New Brunswick, but always felt a strong connection to Nova Scotia, where she was born. Before enrolling at NSCC, she studied Medical Sciences at Dalhousie University. A difficult period and her grandmother's cancer diagnosis reminded her of her motivation to pursue healthcare – to help others. This realization led her to take a new path and apply to the Practical Nursing program at NSCC Annapolis Valley Campus.

As a student, Cameron thrived in the hands-on learning environment. She especially valued the various clinical placements, which helped her build confidence, develop key skills and get a feel for the different aspects of nursing. At the Middleton campus, she enjoyed the strong sense of community and appreciated how easy it was to connect with others in the small-campus environment. She credits her friends for keeping her motivated and inspired during her studies, whether they were supporting her through hardships or group projects they were always by her side, cheering her on. She also found a supportive group with her local fire department, where she volunteers. Cameron is appreciative to faculty members for their unwavering support throughout her studies.

After graduation, Cameron plans to enter the workforce as a Licensed Practical Nurse and eventually return to school to become a Registered Nurse.

To the class of 2025, Cameron offers this advice: "In the words of Cinderella: 'Have courage and be kind. You are stronger than you think. You can do anything you put your mind to.'"
