- b. The College Travel Card must be used for College related purchases only. Using the College Travel Card for personal purchases may result in the cancellation of the credit card.
- c. Cardholders must pay the entire balance owing within 45 days of the statement date. Failure to pay the balance owing within 60 days will result in the immediate suspension of the credit card by US Bank. The balance must be paid in full before the College Travel Card can be reactivated by the NSCC VISA Coordinator. However, NSCC may decide to cancel the College Travel Card if the outstanding balance is not paid within the required payment terms.
- d. Any interest incurred due to late payments of the statement balance must be paid by the cardholder. These charges will not be reimbursed by NSCC.
- e. Cardholders must follow all NSCC Financial Policies when using the College Travel Card:
  - 62.21** Procurement Policy
  - 62.22** Procurement Procedures
  - 62.01** Travel and Reimbursement Policy
  - 62.51** Entertainment & Other Expenses Policy
- f. The College Travel Card may be cancelled if credit card purchases do not comply with these policies.
- g. Lost or stolen credits cards must be reported immediately to US Bank or to the NSCC VISA Coordinator so that the card can be cancelled.

**3.6 Monthly Statement**

Notification will be sent to each cardholder’s NSCC email address as soon as the monthly credit card statement is available. Cardholders will be required to log into the US Bank Portal to access the statement. Electronic access to the credit card statement ensures that cardholders can retrieve the statement on a timely basis. Timely access will ensure cardholders can submit a Travel and Expense Claim form and receive reimbursement from NSCC in time to meet the 45 day payment requirement.

The monthly statements will not be mailed to cardholders

**3.7 Payments**

Cardholders are responsible for paying US Bank directly. This payment can be made in person at a bank, by mail or online through internet banking services. This payment must be done in time to meet the 45 day payment requirement.

**3.4 Reimbursement of Expenses**

- a. Employees must complete a Travel and Expense Claim form to receive reimbursement for business related expenses charged on the College Travel Card.
- b. The Travel and Expense Claim forms must include the original detailed receipt for each credit card charge claimed. The monthly credit card statement will not be sufficient substantiation to support the reimbursement of credit card transactions. If the original detailed receipt is lost and a copy cannot be obtained, the cardholder’s Supervisor is required to provide separate sign off

on the Travel and Expense Claim form to acknowledge the missing receipt. Cardholders should refer to the *Travel & Reimbursement Policy* for other specific documentation requirements for completing and submitting a Travel and Expense Claim Form.

- c. The cardholder can submit the Travel and Expense Claim form in advance of receiving the monthly credit card statement. The cardholder can submit this form any time after the charge is incurred using the original detailed receipt as sufficient substantiation for reimbursement. This ensures that reimbursement will be received in time to meet the 45 day payment requirement.
- d. Failure to submit a Travel and Expense Claim form for reimbursement of credit card expenses will not be a valid reason for non-payment or late payment to US Bank.

### 3.5 Credits

- a. A cardholder is responsible for reimbursing NSCC for credit card charges that are reversed or credited back to a credit card number, if the cardholder has received reimbursement by NSCC for these charges. Cardholders can submit the payment to any NSCC Campus cashier office.
- b. Alternatively, the cardholder can submit the repayment to the College by reducing a subsequent Travel and Expense Claim Form. If this method of repayment is used, there must be sufficient information included to ensure that the repayment can be easily traced to the initial Travel and Expense Claim Form where reimbursement was claimed.

### 3.6 Card Cancellation

Although the credit card is issued in the cardholder’s name, the College Travel Card remains the property of the College. If a cardholder leaves employment with the College or transfers to a position that is not eligible for a College Travel Card, the cardholder must cut up the credit card and notify the NSCC VISA Coordinator in the Finance Department. The NSCC VISA Coordinator will cancel the College Travel Card with US Bank.
