1.0 PURPOSE

1.1 The Nova Scotia Community College (NSCC) Mission is based on core values including promoting student and employee success, ensuring safety, and acting accountably and with integrity. These values and NSCC’s achievement of its mission may be undermined by the impairment of members of the NSCC community, resulting from the use of Alcohol or Drugs.

1.2 The purpose of NSCC’s Alcohol & Drug Policy (the “Policy”) is to promote a safe and healthy workplace and learning environment by reducing the risks associated with the use of Alcohol and Drugs and by striving to eliminate the effects of Drug or Alcohol Abuse on the College and the members of the NSCC community.

1.3 This Policy respects the dignity and privacy of individuals. It also places a priority on awareness, education, and supporting access to treatment and successful recovery.

2.0 SCOPE

2.1 All NSCC employees, students, volunteers, contractors and community members are subject to this Policy. However, certain sections of these policy apply only to certain members of the NSCC Community. In particular:

   a. Section 4 of this Policy applies to all employees, regardless of status.

   b. Section 5 of this Policy applies to students (full-time, part-time, online and apprenticeship, and any NSCC employee, while engaged as a learner in College sponsored learning programs (i.e. CCEDP, external conferences etc.) and events (i.e. community, industry).

   c. Sections 3 and 6 of this Policy apply to all members of the NSCC Community as defined in s3.9 of this policy while on NSCC property, including any physical or electronic sites where NSCC conducts business or learning including off-College work sites, or in NSCC owned or leased vehicles.

2.4 This Policy applies to conduct connected to or capable of impacting the work, learning, services and reputation of NSCC including, without limitation, conduct:

   a. in any physical or electronic sites where NSCC conducts business or learning including off-College work sites.

   b. while carrying out duties for, engaged as a student of, or otherwise representing, the NSCC, including conferences and community or NSCC affiliated events.

3.0 DEFINITIONS

3.1 Alcohol means the intoxicating agent in beverage alcohol such as ethyl alcohol or other low molecular weight alcohols and agents like methyl (antifreeze) and isopropyl (rubbing alcohol). Without limitation, Alcohol includes beer, wine and spirits such as vodka, gin, rum and tequila and any beverages incorporating those products.
3.2 **Approved College Function** is a function which is solely or jointly sponsored or promoted by the College for purposes related to College business.

3.3 **Cannabis** means any substance produced or derived from marijuana plants that can be consumed by a person through ingestion, smoking or topical application for medicinal or recreational purposes, whether or not lawfully obtained. Without limitation, Cannabis includes items such as marijuana cigarettes and marijuana infused pills, beverages, food and vapor.

3.4 **Drug** means any substance, including Cannabis, Alcohol, Illicit Drugs or Medications, the use of which has the potential to change or adversely affect the way a person thinks, feels or acts. For the purposes of this Policy, drugs of concern are those that inhibit an employee’s ability to perform his or her job safely and productively.

3.5 **Illicit Drug** means any drug or substance which has not been legally obtained or which is not legally possessed and whose use, sale, possession, purchase or transfer is restricted or prohibited by law.

3.6 **Medication** means a drug obtained legally, either over-the-counter or through a doctor’s prescription.

3.7 **Drug or Alcohol Abuse** is the use of a potentially impairing substance to the point that it adversely affects performance or safety at work, either directly through intoxication or withdrawal, or indirectly through social or health problems.

3.8 **Fit for Duty** in the context of this Policy, means being able to safely perform assigned duties and responsibilities without any impairment due to the influence, or after-effects, of any Drug (as defined in this Policy), that may hinder performance or compromise the safety of the employee, learners or others within the context of job duties or participation in NSCC sponsored learning programs or events or in any other context to which this Policy applies.

3.9 **Fit for Learning** in the context of this Policy, means being able to meaningfully and safely participate in scheduled educational activities, without any impairment due to the influence, or after-effects, of any Drug (as defined in this Policy) that may hinder or compromise the safety or educational experience of the Student or others.

3.10 **NSCC Community:** a member of the NSCC Community under this policy includes, but is not limited to the following:

   a. **Employee:** any person who is employed by NSCC or provides services to NSCC under an employment contract.

   b. **Student:** any person enrolled in study at NSCC.

   c. **Volunteer:** any person performing work for NSCC in an unpaid capacity.

   d. **Contractor:** any individual or company (and its employees) who provides services to NSCC under a service contract (i.e. a non-employee-employer relationship).

   e. **Community Member:** any person working in collaboration with NSCC for a business or academic purpose or an external community member.
3.11 **Reasonable Grounds** in the context of this Policy, means that a graded approach, commensurate with risk, may be used to determine when a person may be impaired to the point of not being able to work, learn or participate safely in an activity, or who may compromise the safety of others.

3.12 **Safety-Sensitive Roles or Activities** are those roles or activities which require the employee, student or contractor to be alert, to be physically coordinated, and to exercise good judgment, and where impairment by way of consuming alcohol or drugs could pose a danger to the health, safety or security of the employee, student or contractor, other persons, property or the environment. Examples of safety-sensitive activities and roles include those which involve the use of tools or appliances, the operation of vehicles and aquatics or seafaring activities. Any employee who directly supervises a student, another employee or a contractor in a safety sensitive position will also be considered to work in a safety sensitive position.

4.0 **POLICY**

4.1 **Obligations of the College and Employees**

The provisions of this Part apply to NSCC employees.

a. Section 13 (1) of the Nova Scotia *Occupational Health and Safety Act. 1996*, c.7, s.1. States "every employer shall take every precaution that is reasonable in the circumstances to (a) ensure the health and safety of persons at or near the workplace”.

b. Section 17(1) of the Nova Scotia *Occupational Health and Safety Act* states “every employee, while at work, shall (a) take every reasonable precaution in the circumstances to protect the employee’s own health and safety and that of other persons at or near the workplace.”

c. Aligned to the requirements of the Nova Scotia *Occupational Health and Safety Act* and associated Regulations, NSCC maintains policies and expectations to ensure reasonable standards for the protection of the health and safety of employees and other members of the NSCC community. In particular, employees must:

i. report Fit for Duty for scheduled and unscheduled work and remain Fit for Duty during their entire work hours and, accordingly, must not use or be under the influence of potentially impairing Drugs during working hours or in any other context to which this Policy applies.

ii. The NSCC understands that employees may be under medical care involving Medications, including Cannabis, that may have impairing effects. It is the responsibility of all employees to become familiar with the effects of Medications they are taking and, if the use of such Medication may impact on performance or health and safety, the employee must contact their supervisor or human resources immediately and before reporting to work under the influence of such Medication.

iii. Employees must not at any time possess Illicit Drugs or distribute, offer for sale or sell any Drugs and/or Drug paraphernalia during work, on NSCC premises or in any vehicles owned or leased by NSCC or in any other context to which this Policy applies.
4.2 Investigations and Discipline

Any suspected employee violation of this Policy will, subject to the provisions of any applicable contract or Collective Agreement, be investigated and pursued as deemed appropriate to the circumstances. Without limitation, such investigation may include, at the option of the NSCC, appointing an internal or external investigator and/or interviewing those believed to have relevant knowledge. Employees are required to cooperate in any such investigation.

a. Where there are reasonable grounds to believe that an employee is in violation of s.4.1.c, that employee shall be immediately escorted by their manager or another person in a supervisory capacity to a safe place where they will be given an opportunity to explain why they appear to be not fit for duty. An employee working in a Safety-Sensitive Role, performing a Safety-Sensitive Activity, or supervising someone performing a Safety-Sensitive Activity is subject to a higher level of scrutiny and may be removed from the working environment immediately.

b. If the employee’s manager or supervisor, having heard any explanation offered by the employee, continues to have concerns about their fitness for duty, the employee may be removed from the workplace.

c. If an employee is removed from their workplace under subsections (b) or (c), NSCC will make all reasonable efforts to provide the employee with safe transportation to their home from work. Should the employee refuse any offer of safe transportation made by NSCC and should there be concerns that the employee is intending to operate a motor vehicle, NSCC may proceed to contact the local police.

4.3 Any action taken under s.4.2 must be reported immediately to Human Resources and the appropriate next level of management for review, consideration and to determine appropriate actions. In the event that there are continuing concerns regarding safety, the Manager of Occupational Health and Safety shall also be notified.

4.4 Employees who fail to adhere to this Policy, and who continue to present not Fit for Duty, or fail to remain Fit for Duty present a safety risk to themselves and others. This constitutes a violation of the Policy and may be subject to progressive discipline up to and including termination of employment for cause. In addition, the NSCC will contact the police where it has reason to believe that the criminal activity has occurred.

4.5 Where an employee reports their use of Medication under s. 4.1.c.ii, which may impair their job performance or compromise safety, the College and the employee will work together to determine what accommodation, if any, is necessary and can be made to permit the employee’s continuing work without compromising safety.

4.6 NSCC understands that a Drug Dependency can constitute a condition that is recognized as a disability under the Nova Scotia Human Rights Act RSNS 1989, c 214. Employees with a medically supported disability of this kind will be accommodated under the Nova Scotia Human Rights Act to the point of undue hardship. Employees have a responsibility to identify and seek accommodation and/or treatment in order to avoid a breach of this Policy. NSCC offers additional support through the Employee & Family Assistance Program.
4.7 Employees who have
   a. Violated this Policy and/or
   b. Disclosed a dependency under s. 4.6

may, in addition to any disciplinary measures deemed appropriate, be required to participate
in a monitoring program as part of a program of rehabilitation and/or reintroduction to the
workplace.

4.8 Any employee who witnesses or has concerns about whether another employee is Fit for
Duty must immediately advise:
   a. Their manager;
   b. Any member of NSCC Senior Leadership, including Vice Presidents, Deans, Principals
      or Directors; or
   c. Human Resources

4.9 Any leader who receives information regarding an alleged breach of this Policy by an
employee will refer the matter to the Director of Human Resources who will coordinate
the NSCC’s response to the alleged breach.

5.0 STUDENT PROVISIONS

5.1 The provisions of this Part apply to Students.

5.2 NSCC Students must:
   a. Be Fit for Learning when attending classes or other program-related activities,
   b. Without limiting (a) above, not report for any learning or work-term activities associated
      with their program at NSCC which involve Safety-Sensitive Roles or Activities, while under
      the influence of Drugs including Cannabis, Alcohol, Illicit Drugs or Medications.
   c. Without limiting (a) above, if their learning activities involve any Safety-Sensitive elements,
      advise their instructor or another person in a supervisory capacity, the Academic Chair or
      the Manager of Student Services about the use of any Alcohol or Drugs, including
      Cannabis, Illicit Drugs or Medications that may impair their performance or compromise
      their health and safety and/or the safety of others,
   d. Not distribute, offer for sale or sell Drugs and/or Drug paraphernalia during work or
      learning activities, on NSCC premises, in any vehicles owned or leased by NSCC, or in
      any other context to which this Policy applies,
   e. Only use and possess Drugs which are a prescription Medication and then only as
      prescribed and not distribute, offer for sale, or sell prescription medication during NSCC
      activities, on NSCC premises or in any vehicles owned or leased by NSCC,
f. NSCC recognizes that students may have a health condition or illness that may require medication which may require unique arrangements to use on campus or sites where NSCC conducts business or learning including off-College work sites. Students using such medication have a responsibility to identify and seek accommodations through the Academic Accommodations Policy,

g. NSCC understands that a Drug dependency can constitute a condition that is recognized as a disability under the Nova Scotia Human Rights Act RSNS 1989, c 214. Students with a medically supported disability of this kind will be accommodated under the Nova Scotia Human Rights Act to the point of undue hardship. Students using such medication have a responsibility to identify and seek accommodations through the Academic Accommodations Policy and Procedures in order to prevent a breach of this Policy,

h. A faculty member, or any other employee, who suspects that a student is impaired or otherwise is in violation of this Policy must report the matter to the Academic Chair or the Manager of Student Services, who may then take such steps as they consider necessary under the Student Code of Conduct Procedure, the Academic Accommodations Policy or any other applicable NSCC Policy,

i. Where there are Reasonable Grounds to believe that a student who is participating in a safety-sensitive activity is under the influence of Drugs including Cannabis, Alcohol, Illicit Drugs or Medications, the student shall be immediately removed from the environment and their participation in such activities shall be temporarily suspended. The matter must be reported to the Academic Chair or the Manager of Student Services, who may then take such steps as they consider necessary under the Student Code of Conduct, the Academic Accommodations Policy or any other applicable NSCC Policy,

j. If the student’s instructor, having heard any explanation offered by the student, continues to have concerns about their Fitness for Learning, the student may be removed from the environment,

j. If a student is removed from the learning environment, NSCC will make all reasonable efforts to provide the student with safe transportation to their home. Should the student refuse any offer of safe transportation made by NSCC and should there be concerns that the student is intending to operate a motor vehicle, NSCC may proceed to contact the local police. In addition, if the NSCC has reason to believe that the criminal act has occurred, the NSCC may contact local Police.
6.0 GENERAL PROVISIONS

6.1 The provisions of this part apply to all members of the NSCC community. The consumption of alcohol or cannabis on NSCC premises or in NSCC vehicles is prohibited, subject to the exceptions set out below:

a. A member of the NSCC community, who resides in an NSCC residence for one night or more and who has attained the age of majority:
   i. may consume alcoholic beverages in their room at residence. They may likewise serve alcoholic beverages to guests in their room, so long as those guests have also attained the age of majority.
   ii. is prohibited from consuming cannabis by means of smoking\(^1\), in accordance with NSCC Smoke Free Policy (#73.11) in their residence room or at any other location on the campus property.
   iii. may consume cannabis by means other than smoking in their room at residence only if the cannabis has been lawfully obtained for consumption in such manner.

b. A member of the NSCC community, who has attained the age of majority, may consume alcohol served on campus as part of an Approved College Function, at licensed facilities on campus, or, if invited to do so, in another community member’s residence room.

6.2 Notwithstanding the exceptions set out in s. 6.1 above, all members of the NSCC community are obligated to ensure that consumption of alcohol or cannabis is carried out responsibly, in compliance with applicable laws and, if applicable in the case of cannabis, as prescribed. Any member of the NSCC community found on campus showing signs of impairment will be dealt with in accordance with section 4 or 5 of this Policy, as applicable.

6.3 Any member of the NSCC community involved in hosting a College Approved Event at which Alcohol is served is required to act responsibly including, if appropriate, hiring trained servers and implementing systems whereby precautions are taken to ensure responsible consumption of Alcohol. A member serving Alcohol in their residence room is also expected to take steps to ensure responsible consumption of Alcohol.

\(^1\) Section 2.4 of NSCC’s Smoke Free Policy defines Smoking as:
   a. any substance which is burned and the resulting smoke is to be breathed in to be tasted or inhaled; including tobacco and cannabis;
   b. includes all types of E-cigarettes or any other device which emulates the act of smoking and produces airborne contaminants; and
   c. includes all forms of pipes, holders, instruments, etc used for similar purposes.
6.4 Contravention of any provincial or federal laws regarding Drugs or Alcohol or any other policies of the College governing the possession, distribution, and/or consumption of alcoholic beverages is also a violation of this Policy.

6.5 Breaches of this Policy by students will be addressed under the Student Code of Conduct Policy and Procedures. Breaches of this Policy by employees will be addressed under the Employee Code of Conduct Policy and Procedures.

6.6 The NSCC will maintain confidentiality, to the greatest extent possible, in the reporting and investigation of alleged breaches of this Policy. All employee records are to be kept confidential and securely filed within Human Resources. All student records are to be kept confidential and securely filed within Student Services. The NSCC will take every reasonable precaution to protect the concerns and identities of those involved to the greatest extent possible. All parties will be required to maintain confidentiality to ensure the integrity of this process.

6.7 Any member of the NSCC community who raises concerns regarding an alleged breach of this Policy must do so in good faith based on an honest belief a violation has occurred.

6.8 An individual acting in good faith will not be disadvantaged or lose their employment status by reporting their concerns, even when concerns cannot be substantiated under this Policy. However, abuse of this Policy may result in disciplinary action up to and including termination of employment for employees. Abuse of this Policy may result in disciplinary action up to and including expulsion for students.

6.9 Regular Review
This Policy shall be reviewed in accordance with the NSCC Policy Review Schedule.

7.0 RESPONSIBILITIES

f. On-site supervisors of contractors are responsible for taking action as follows when their workers are not compliant with this policy:

i. Where there are reasonable grounds to believe that a worker is in violation of s.8.5b., that worker shall be immediately escorted by their manager or another person in a supervisory capacity to a safe place where they will be given an
opportunity to explain why they appear to be not fit for duty. A person working in
a Safety-Sensitive Role, performing a Safety-Sensitive Activity, or supervising
someone performing a Safety-Sensitive Activity is subject to a higher level of
scrutiny and may be removed from the working environment immediately.

ii. If the worker’s manager or supervisor, having heard any explanation offered by
that person, continues to have concerns about their fitness for duty, the worker
may be removed from the workplace.

7.6 **NSCC** (including the President and Executive, Principals, Deans, Academic Chairs, Directors and
Managers) is responsible for fostering a safe and healthy workplace and learning environment
by supporting the implementation of this Policy.

7.7 **Human Resources** has responsibility for the oversight and application of this Policy to
employees and the coordination of NSCC’s response to any alleged breach of the Policy by an
employee. This includes ensuring information is reviewed and investigated as appropriate;
making appropriate referrals to the Manager of Occupational Health and Safety; maintaining
confidential records of allegations of non-compliance and responses; maintaining official
employee files; and developing and implementing communications to ensure employee
awareness and understanding of their obligations under the Policy.

7.8 **Student Services**, through the Manager of Student Services and the student’s Academic Chair,
is responsible for the oversight and application of this Policy to students and the coordination of
NSCC’s response to any alleged breach of the Policy by a student, including referring matters to
be handled under the SCOC and making appropriate referrals to the Manager of Occupational
Health and Safety.
