

Independent Auditor's Report

To the management of Nova Scotia Community College

We have audited the accompanying Public Sector Compensation Disclosure Report of the Nova Scotia Community College for the year ended March 31, 2013 (the "Schedule"). The Schedule has been prepared by management based on the public sector compensation disclosure act bill no. 115.

Management's Responsibility for the Schedule

Management is responsible for the preparation of the Schedule in accordance with the public sector compensation disclosure act bill no. 115, and for such internal control as management determines is necessary to enable the preparation of the Schedule that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Schedule based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Schedule is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedule. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the Schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the Schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Public Sector Compensation Disclosure Report of the Nova Scotia Community College is prepared, in all material respects, in accordance with the public sector compensation disclosure act bill no. 115.
