

Student Name:	Student ID:		
Program Name and Code:	Year of Study:		
Are you a NEW student or a RETURNING student (4-month break or more in your studies)?	☐ New ☐ Returning		

Program requirements are due prior to attending clinical placement. Students are encouraged to have immunizations completed early in the program for their own safety.

#### **Student Instructions for Mandatory Program Requirements**

1. Review the requirements checklist below:

SECTION	REQUIREMENT	Ensure all requirements are complete with records and certificates included
	Tuberculosis Screening*	
	Measles, Mumps, and Rubella (MMR)	
Section A – Medical	Varicella (Chicken Pox)	
Requirements	Tetanus/Diphtheria/Pertussis (Tdap)	
(Completed and signed by	Hepatitis B*	
Health Care Provider)	Hepatitis B Waiver form*	
*Not required for Health	Vulnerable Sector Police Check (VSC)**	
Information Management (HIM) **Not required for HIM and Pharmacy Technician	Criminal Record Check (CRC) (all programs are required to submit a CRC unless their program requires a VSC)	
	Child Abuse Registry (CAR) (Mandatory for Continuing Care, Occupational Therapy/Physiotherapy Assistant, Practical Nursing, and Therapeutic Recreation programs)	

Access the <u>NSCC Placement Pass Portal</u> through Microsoft 365 and log in using your NSCC credentials or visit the <u>NSCC Program Requirements</u> webpage for the most current Pre-Placement Health Form Package. Further instructions on how to access the Placement Pass app can be found in the <u>Student Information Slide Deck</u>.

- 2. Book an appointment with a Physician, Nurse Practitioner, Registered Nurse, Public Health Certified LPN, or Pharmacist.
- 3. Bring immunization records, public health forms, or documents that show your immunization history to your appointment.
- 4. Request the following from your health care provider to complete:
  - a. Immunization records (for proof of immunization),
  - b. Lab blood results (if applicable), and
  - c. Chest x-ray report, if required.
- 5. Provide Section A (instructions and forms) to your health care provider to complete and sign.
- 6. Complete **Section B** Mandatory non-medical requirements.
- 7. Complete checklist (above) to ensure all requirements are met for both Sections A & B:

- a. Section A (both pages) completed, initialed, and signed by your Health Care Provider.
- 8. Your blood lab reports and, if required chest x-ray report are to be submitted with this form.
- 9. Your immunization records including childhood records if available. Ensure your **name** is on each page.
- 10. **Section B** certificates or proof of completion for any non-medical requirement.

Scan, label, and submit all documents through the Placement Pass app.

- ▶ Students who started an immunization series will receive a temporary exception. Once available, they will submit immunization records and/or blood test results confirming completion.
- ▶ There is a one-time submission fee with no subsequent fees regardless of the number of submissions.

# Pre-Placement Health Form Health Care Provider Instructions

#### **Health Care Provider Instructions for Mandatory Medical Requirements**

- 1. Complete **Section A** in its entirety and provide an attesting signature/initial where indicated.
- 2. Provide the student a copy of immunization records for vaccines administered and lab results for lab tests completed as applicable. Note: Immunization requirements listed follow the standards outlined in: The Canadian Immunization Guide (Part 3) Vaccination of Specific Populations Workers and Student Placements, The Canadian Tuberculosis Standards (2007), and Nova Scotia Health.
  - a. The following are required for <u>all</u> NSH placements:
    - Measles, Mumps, and Rubella
    - Tetanus, Diphtheria, and Pertussis
    - Varicella
  - b. The following are required for NSH placements with direct patient contact and/or placements where students have the potential to be exposed to blood and/ potentially infectious body substances.
    - Hepatitis B
    - Tuberculosis
  - c. The following is recommended by NSH and may be required by other facilities (such as Long-term care)
    - Influenza (Seasonal)
    - COVID-19
- 3. Use the following instructions when completing the following subsections:
  - a. Tuberculosis (TB) Screening \*Must be completed within 6 months of program start:
    - i. If no history of a 2-step Tuberculin skin test (TST), a 2-step TST is required and must be negative.
    - ii. If the first test is negative a second test is applied 7-21 days later.
    - iii. If there is documentation of a prior negative 2-step TST, a 1-step TST is required.
    - iv. If there is a documented prior positive TST or latent TB, or any treatment for active or latent TB a TST is not required. A chest x-ray is indicated.
    - v. If Bacille Calmette-Guerin (BCG) immunization was completed, a TST is still required. If a TST reads positive a chest x-ray is required.
    - vi. If there is documented proof of a 1-step TST completed within the last 12 months and no documentation of a 2-step TST, a 1-step TST is indicated.
    - vii. Returning students are required to complete a one step TST.
  - b. Measles, Mumps, and Rubella (MMR) considered immune with one of the following:
    - i. Documented evidence including history of laboratory confirmed MMR, 2 doses of MMR immunization, or laboratory evidence of immunity.
  - c. Varicella (Chicken Pox) considered immune with one of the following:
    - Documented evidence including history of laboratory confirmed Varicella, 2 doses of varicella immunization at least 4-weeks apart on or after their first birthday, or laboratory evidence of immunity.
  - d. Tetanus/Diphtheria (Td) and Pertussis:
    - i. Immunization records showing a dose of Tdap within the last 10 years.

LAST UPDATED: August 2024 Page 3 of 7

#### e. Hepatitis B:

- i. Nova Scotia Health strongly recommends that students complete a full series of Hepatitis B immunizations and achieve HBsAb immunity prior to any learning placement at Nova Scotia Health.
- ii. Prior to starting a learning placement at Nova Scotia Health, student/ learners are required to meet one of the two options below:

**Option A:** Show proof of receiving at least one dose in a Hepatitis B immunization series, plus sign a Hepatitis Immunity Waiver.

**Option B:** Show proof of completing a full series of Hepatitis B immunizations, and proof of HBsAb immunity based on levels >12 IU/L instead of >10 IU/L (based on ranges provided by lab).

**NOTE:** Expectation for student/learners who have not achieved Hepatitis B HBsAb immunity.

- Placing agencies will outline expectations that Students/Learners acquire Hepatitis B immunizations and document results of immunity status during their academic study.
- If a student/learner has not achieved Hepatitis B immunity prior to starting their learning placement, the Placing Agency will be responsible to ensure the student/learner is well informed of the risks associated with working in a health care setting.
- The Placing Agency will ensure the student/learner are not placed in a setting or undertake procedures that puts the Student/ Learner at high risk of exposure to Hepatitis B.
- If Students/Learners sign the Hepatitis B Waiver the waiver is kept on file at the Placing Agency.

# f. The following immunizations are strongly recommended by NSH (submission is optional and not mandatory):

#### i. Influenza (flu)

- 1. Only applicable during flu season (October to the end of April).
- 2. Influenza immunization may be required by other placement partners (such as long-term care).

#### ii. COVID-19 (primary series plus applicable boosters)

- 1. Proof of immunization may be submitted for primary series of COVID-19 immunization. Must provide official copy of immunization.
- 2. COVID-19 immunization may be required by other placement partners (such as long-term care).

### **Pre-Placement Health Form**

**SECTION B: Non-Medical Requirements (Mandatory)** 

Student Name:	Student ID:	

For New and Returning (4-month break or more in your studies) students:

1

- ► Checks should be completed no earlier than **3 months prior** to the start of your program as it needs to be current at the time of review.
- ➤ Your local RCMP detachment or police department can perform these checks. Please bring a piece of government issued photo ID with you.
- ▶ Submit supporting documents in PDF format, if possible.
- ▶ Please verify that documents are clear and legible before submitting to the Placement Pass website.

#### **NON-MEDICAL REQUIREMENTS**

Vulnerable Sector Police Check (VSC)

Required for all programs except: HIM and Pharmacy Technician

Criminal Record Check (CRC)

Required for all programs unless a VSC is required.

Child Abuse Registry (CAR)

Required for CCA, PN, OTA/PTA, and TR programs.
