NOVA SCOTIA

**ARE YOU READY TO WORK IN THE SEAFOOD AND AQUACULTURE INDUSTRY AND EARN A BURSARY RANGING FROM \$500 TO \$1000? 3 EASY STEPS:**

**STEP #1: Apply today** to a seafood processing plant or aquaculture operation

**STEP #2: Get hired** and have a great experience working in our industry. We pay competitive wages with overtime opportunities.

**STEP #3: Work the required hours** to qualify for a bursary – 250 hours for high school students and 500 hours for university and college students

**STEP #4: Collect a \$500** student bursary if you are going into Grade 11 or 12 OR **\$1000** if you are attending college or university in the fall of 2019
