

# Recognizing Prior Learning (RPL) Application Form

## Transfer Credit

Students who have successfully completed the equivalent of a NSCC course at another post-secondary institution may apply for Transfer Credit. It is solely the student's responsibility to provide appropriate documentation from the other institution(s) to support the application for transfer credit. A course outline with learning outcomes is the preferred documentation; this material will be submitted to a content expert for evaluation. A demonstration of competency may also be required. Transfer credits are available to students enrolled in a program; there is no charge for the evaluation.
