## YOU STEPPED UP. YOU ANSWERED THE CALL.

Five years ago, Make Way – The Campaign for NSCC set out to raise $25 million to improve access to NSCC, so more people would have a chance at a transformative education.

### YOU WENT ABOVE AND BEYOND.

Your generosity resulted in an incredible $33,097,542 raised to help students through student aid, innovative programming, instructional equipment and centres of expertise.

### Thank you.

You are helping address financial issues but also giving students the confidence to achieve their dreams.

You have embraced NSCC, and in doing so, you are changing lives.

You are inspiring. And we are so grateful.
