Post-Care Bursaries

The Post-Care Bursaries Program was announced in 2020 and provides support to those who have lived in the Nova Scotia child welfare system – including Mi'kmaw Family and Children's Services of Nova Scotia – or have been in receipt of services through the Department of Community Services, Services for Youth Programs.

This fund makes accessing and continuing a post-secondary education a reality by providing full tuition for eligible students.

To support students through the Post-Care Bursaries Program [donate here](#).
